Eternal Beauty Collection

xtendlife

6 Beauty Solutions. Independently Effective. Together Unstoppable.

Illuminates, Strengthens, Protects & Repairs

True beauty results

We believe that beautiful skin is a result of proper skin nutrition from both the outside and within. With 16 years' experience in meeting nutritional needs, Xtend-Life combines nature's best offerings with the latest in skin technology to deliver guaranteed results.

World class ingredients

In honour of New Zealand's pristine waters and stretches of untouched land, Xtend-Life brings you Kanapa™ skincare. Inspired by its Maori meaning "be bright", Kanapa is infused with New Zealand native botanicals to deliver superior radiance helping your skin look younger and brighter. Xtend-Life skincare contains no harmful chemicals and is safe enough to 'eat'.

True beauty starts here

Skin-Support

- Reduce the appearance of wrinkles
- Fast growing, thicker hair
- Healthier, stronger nails

For the first time, clinically proven French marine collagen and elastin polypeptides team up with pure grape seed extract from New Zealand.

Combined, they support the skin matrix to strengthen and repair damage caused by free radicals and aging. Benefits can generally be seen and felt in as little as 30 days.

Omega 3 Premium

- Exclusive New Zealand formula
- Beauty-preserving antioxidant blend
- Additional health benefits

New Zealand's purest fish oil formula contains a unique blend of highly concentrated tuna oil and natural non-concentrated New Zealand hoki oil. This blend is enhanced with skin repairing antioxidants, astaxanthin and lycopene which protect from sun damage, making this fish oil the perfect solution for dry, damaged skin and hair.

Age Defying Serum with Whitening

- Refine skin tone and texture
- Target sun spots and scarring
- Brighten and enhance

This breakthrough serum is one of the very few 'brightening' products on the market that will support and nourish your skin whilst providing remarkable anti-aging properties. Its advanced stem cell technology ensures deeper, faster delivery for brighter, more even skin in as little as four weeks.

Age Defying Sheer Day and Night

- Clinically proven and effective
- Reduce the appearance of wrinkles
- Perfect skin both day and night

This product is supported by clinical human trials which showed a reduction of wrinkles by 34% in just six weeks along with a number of other significant benefits. It is a satin-soft, weightless formula and is a joy to apply.

Packed with powerful moisturizers, healing agents, antioxidants and other anti-aging ingredients including Xtend-Life's proprietary Kanapa, it rejuvenates your skin with 24/7 activity. Use day and night for guaranteed results.

Foaming Facial Cleanser

- Repair and strengthen irritated skin
- Visibly clear skin for a radiant complexion
- With New Zealand kiwifruit and manuka honey

Whisk away everyday makeup and impurities with our best-selling facial cleanser. Infused with New Zealand kiwifruit and manuka honey, it promotes natural healing and pH balance for a fresh, revitalizing cleanse.

Eye Contour Cream

- Lift and firm the eye contour
- Target dark circles & wrinkles
- Relieve puffiness

This light-weight cream is a multi-purpose treatment that reduces the appearance of dark circles and crow's feet promoting a rested, fresh appearance. Our eye cream combines the latest skin rejuvenation technology with Xtend-Life Kanapa providing pure, potent protection for delicate skin. It also contains 'eyeliss' which is a special citrus fruit extract clinically proven to reduce fluid build-up, puffiness and dark circles under the eyes.

Eternal Beauty: Daily Ritual

Step 1. Skin-Support: 3 capsules daily, with or without food.
Omega 3 Premium: 2 capsules daily, with or without food.

Step 2. Foaming Facial Cleanser: Massage onto damp skin morning and night. Rinse thoroughly after use.

Step 3. Age Defying Serum with Whitening: Use directly after cleanser. Gently pat onto damp cleansed skin.

Step 4. Age Defying Sheer Day and Night: Apply in an upward and outward motion a few minutes after serum application.

Step 5. Eye Contour Cream: End your ritual with a gentle application around the eyes.
